Robert c johnson obituary

Johnson, Robert C. MD, age 92, of Sausalito, California (born in Minneapolis, MN). Before his death by his parents, Ruth and Carl; siblings Roger Johnson and Albert Johansson (Ingrid) from Sweden and longtime friend Tom. He will be deeply missed by his niece, Kathy Carlson; nephews Doug (Cheryl) and Tom (Jill); Friend Joan R. Palmer of Healdsburg. Sister-in-law Beverly Johnson and many special friends from the Bay area and Minneapolis. Robert was born and raised in Minneapolis and graduated from Patrick Henry High School in 1945 after graduating, he joined the Navy and later the Air Force. After serving in the military, he graduated from the Tassanee School in Chicago in 1951 and underwent surgery until 1956, when he enrolled in medical school at the University of Minnesota. Robert received his medical doctor in 1962, followed by an internship at Minneapolis General Hospital and an ophthalmologist at the University of Minnesota. Robert moved to San Francisco in 1968 and joined Dr. Arthur Jampolsky in a private practice in which he became a widely admired and respected eye surgeon. He continued his personal practice until his retirement in 1997, when he practiced switching to Pacific Eye Associates. Roberts is a senior Jampolsky colleague working with the Smith-Ketvelta Research Institute. Roberts is an important contributor to the California Pacific Medical Center ophthalmology teaching program and is a pillar of the Department of Ophthalmology. Robert has a lot of humor. His presence will light up the room. He loved and was loyal to his family and friends. His life inspired both. Robert was loved and respected by his patients and colleagues. He takes deep care for everyone. Robert does his professional activities with skiing, cycling, hiking, tennis and golf. Robert also has a great passion for reading and appreciation for good food and wine. Robert's family would like to thank everyone who provided such wonderful care, especially Marara and the carers from North Bay Home Care. The monument is wanted at the University of Minnesota Foundation, department of ophthalmology. Published on June 14, 2020 Star Tribunes reviews all guest book entries to ensure proper content. Swedish Gunilla Hall, Marita Johansson Los Angeles CABob was friendly and kind to me during my friendship at Smith Kettlewell in 1986, his enthusiasm (and excellent fitness) was inspiring. Wonderful Man Humphry June 29, 2020 | At the time, I was only a third of the way through my 30-year plan with four young children to support miracles ,Bob said he would do my much-needed surgery, but with the best case scenario of 80% returning my normal vision and possible return to work. When Bob had taken his magic, my vision was restored to 96% of normal, I was able to return to work without restrictions. Lift four ... Michael M. 19/10/2014 I found out many years ago that as he climbed all the stairs to and from his home in Sausalito, he was still doing it at 90. Jenny Chevalier June 17, 2020 | The following year, me and my parents visited Robert in San Francisco, a very happy memory from that time. I'm grateful I saw him again in 2017, along with my nephew Kristian Hall (Los Angeles), who had frequent and warm contact with his great uncle Bob.
